

CONNECT. COMMUNICATE. CONTRIBUTE.

Utilizing North Village Church's primary social networking and communication tool – "The Realm"

The Realm is a private online community for North Village Church where our members can join groups, build relationships, pray for one another, give online, stay up-to-date on upcoming events, and find new ways to connect and do ministry together.

1. Using your PC or laptop, go to onrealm.org/northvillage
2. You will see the prompt: "Don't have an account? Register now." Click on [Register now](#) then insert your email address and create a password.
3. Your name should appear on the top right of The Realm
4. Click on your name and select "[My Profile](#)" – please insert current email address, phone number, home address and family connections
5. Click on your name and select "[Notification Settings](#)" then select "[New Content Only](#)" or "[All Content and Replies](#)"
6. Click on your name again and select "[Manage Privacy](#)" then click on "[Everyone](#)"

Download [Realm Connect](#) on your cell phone, go into settings and allow push notifications.

To utilize other tools in your The Realm account:

Click on "[Community](#)" (top left menu) where you will find other tools...

[Communications](#) – if you want to connect with another church partner

[Events](#) – church events that you may want to attend or register for

[Giving](#) – if you want to give to the church and its mission

[Groups](#) – become members of groups established in The Realm

[Directory](#) – find contact info for someone else who attends NVC

Note: You can't create an account on The Realm from The Realm app on your cell phone? An account has to be created from a PC or laptop and from The Realm link on the NVC website.
